SUGGESTED USAGE: As a dietary supplement, take 1 softgel 2 times daily with food as needed.

NOW® AlliBiotic CF™ is scientifically designed to help support healthy seasonal and year-round immune function. This potent herbal formula is fueled by Garlic, which has become an increasingly popular way to promote overall wellness. In addition, we've added Elderberry Extract, Olive Leaf Extract and Oregano Oil - three natural compounds that have been used extensively to provide sound immune system support. ImmunEnhancer™ is a non-digestible soluble fiber from Larch that is included as a prebiotic supplement for the support of healthy intestinal flora - a key component of immune response.*

AlliBiotic
