Liquid Multi Vitamin-Mineral with Concentrace™ has been formulated for the nutritional needs of MEN and WOMEN and contains over 30 nutrients for superior health. This great-tasting liquid blend has been formulated with essential vitamins and minerals like calcium, B-complex vitamins, antioxidant vitamins, amino acids and more that all help to support mature bone health, energy metabolism and vitality. Then we supercharged the formula with over 72 ionic trace minerals from Concentrace™.

Suggested Use: Shake well. Mix 1 ounce with a glass of juice or water. Refrigerate after opening.

This product may accumulate a small amount of calcium on the bottom of the bottle over time. This is to be expected and does not compromise the quality of the product. Simply shake vigorously several times.

Concentrace™ is a trade name for concentrated sea minerals from the Great Salt Lake.
