If you have ever felt drained or sluggish after a day in the hot sun or a tough workout, your body may be telling you that it needs more electrolytes.† **Electrolyte Stamina Power Pak** is an easy-to-tix high performance energy drink with no caffeine, artificial flavors, or artificial stimulants. Our formula contains 1200 mg of Vitamin C, an essential antioxidant for people who are active and on the go.† It also contains all major electrolytes (potassium, magnesium, chloride and sodium), plus over 72 verified ionic trace minerals from ConcenTrace®, which accelerates assimilation and absorption of vitamins and nutrients.† These electrolytes conduct electrical impulses in the body and also help maintain your body's acid base balance for more energy and vitality.† A deficiency of any one of these electrolytes or even an imbalance can cause a wide range of problems, including sluggishness, occasional fatigue, decreased energy and muscle cramps.† So play harder, endure longer and feel replenished with **Electrolyte Stamina Power Pak**, the right way to revitalize and recharge your body's natural energy source. That's why we back up all of our products with a "Feel the Difference or Your Money Back!" guarantee. ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.

Also try these other great-tasting flavors: Pina Colada, Lemon-Lime Orange Blast, Concord Grape, Cranberry, Cherry Limeade, and Raspberry. For those individuals who lose high amounts of electrolytes, we recommend also using: **Electrolyte Stamina Tablets, Electrolyte Stamina Shot, Endure, Ionic Tonic, and 40,000 Volts.**

Suggested Use: Take 1 packet daily. Open packet, mix contents with 4-6 oz. of water and enjoy. Additional packets may be taken depending on physical activity.

Allergen Info: contains no known allergens. **GLUTEN FREE.**

Supplement Facts

Serving Size 1 packet

Servings per container 32

Amount Per Serving		%DV
