If you have ever felt drained, or sluggish after a day in the hot sun or a tough workout, your body may be telling you that it needs more electrolytes! **Electrolyte Stamina Power Pak** is an easy-to-go high performance energy drink with no caffeine, artificial flavors, or artificial stimulants. Our formula contains 1200 mg of Vitamin C, an essential antioxidant for people who are active and on the go! It also contains all major electrolytes (potassium, magnesium, chloride and sodium), plus over 72 verified ionic minerals and trace minerals from ConcenTrace®, which accelerates assimilation and absorption of vitamins and nutrients! These electrolytes conduct electrical impulses in the body and also help maintain your body's acid base balance for more energy and vitality! A deficiency of any one of these electrolytes or even an imbalance can cause a wide range of problems, including sluggishness, occasional fatigue, decreased energy and cramping! So play harder, endure longer and feel replenished with Electrolyte Stamina Power Pak, the right way to revitalize and recharge your body's natural energy source. Don't forget, we back up all of our products with a "Feel the Difference or Your Money Back!" guarantee. ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.

Also try these other great-tasting flavors: Lemon Lime, Orange Blast, Concord Grape, Cranberry, Cherry Limeade, and Raspberry. For those individuals who lose high amounts of electrolytes, we recommend also using **Electrolyte Stamina Tablets, Endure, Ionic Tonic, and 40,000 Vols.**

Suggested Use: Take 1 packet daily. Open packet, mix contents with 4-6 oz. of water and enjoy. Additional packets may be taken depending on physical activity.

Allergen Info: contains no known allergens. **GLUTEN FREE.**
