LOZENGE SIZE

7 33739 02972 0

Made in the USA

CODE 2972C

V5

SUGGESTED USAGE: As a dietary supplement, adults chew or dissolve 2 lozenges in mouth following meals or as needed. For children (over 4), chew or dissolve 1 lozenge in mouth following meals or as needed.

Digestive enzymes are essential to the body's absorption and full use of food. The capacity of the body to make enzymes diminishes with age, and therefore the efficiency of digestion declines. NOW® Papaya Enzyme Lozenges have a refreshing taste and support digestion when taken after meals. Our lozenges are made with whole, unripe, spray dried Papaya powder, and have 40 mg of Papaya per lozenge. In addition, Protease, Lipase and Cellulase have been included for a full spectrum of enzymatic activity.*

This tablet is also useful as a mint breath freshener.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Caution: Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

Store in a cool, dry place after opening. Please Recycle.
