\*Percent Daily Values (DV) are based on a 2,000 calorie diet.

†Daily Value (DV) not established.

OTHER INGREDIENTS: Gelatin, Glycerin, Water.

Twinlab's Cardio Krill Oil contains the revolutionary, 100% pure, patented **Neptune Krill Oil (NKO™)** with unique phospholipids not available in fish oils. NKO™ phospholipids contain substantially high quantities of EPA (75 mg) and DHA (45 mg). Unlike other sources of omega-3, this fatty acid profile aids recognition by the body based on its resemblance to the human brain's own phospholipids. Research shows that NKO™ **regulates blood lipids** already within desired levels and helps to maintain cholesterol levels that are already within the normal range.\*

Keep tightly closed in a cool, dry place.

Packaged in a glass bottle for maximum stability, quality and freshness

Best if used by date shown on bottle.

**DIRECTIONS:** As a dietary supplement, take 1 softgel daily with a meal or snack

**KEEP OUT OF REACH OF CHILDREN.**

\*\*Consumption of omega-3 fatty acids may reduce the risk of coronary heart disease. FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.

 NKO™ is a trademark of Neptune Technologies & Bioresources Inc. Quebec, Canada.

US Patent No.: 6,800,299 B1

**WARNING:** People with seafood allergy, coagulopathy or taking anticoagulants or other medications should notify their physician and be tested prior to taking this product.

**MANUFACTURED BY IDEASPHERE INC. AMERICAN FORK, UT 84003 USA**

**PCB/TOXIC METAL FREE**
