

RECOMMENDED USE:

For best results, take 1 capsule 30 minutes before breakfast and lunch with 8-16 ounces of water.

WARNING: Not intended for use by persons under 18. Do not take if you are pregnant or nursing. Do not exceed recommended use. Improper use will not improve results and is not advised. Consult your physician before use if you have been treated for, diagnosed with, or have a family history of cardiovascular complications, diabetes, liver or kidney disease or if you take any prescription or over-the-counter medications.
