What are Probiotics?

Probiotics work to keep a healthy balance of intestinal flora. They reduce the amount of harmful bacteria by replenishing and maintaining the "friendly" bacteria.* The depletion of beneficial bacteria can occur as a result of poor diet, taking certain antibiotics, stress, food poisoning, travelers' diarrhea or poor overall digestive health.

Why take GNC Ultra Probiotic Complex 50?

Ultra Probiotic Complex 50 has been designed to provide daily replenishment of healthy bacteria in your digestive tract. Each capsule provides 50 billion live and active cultures of *Lactobacillus acidophilus* and *Bifidobacterium* to help reduce bloating and stomach discomfort, aid in improving regularity and support a healthy immune system.*

Guaranteed Potency

GNC Ultra Probiotic Complex 50 has been tested for quality and potency to ensure that 50 billion live, active cultures are present in each dose. Full potency of this product is guaranteed through the expiration date with no refrigeration required.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
