

Suggested Usage: 1 softgel per day or as directed by a health professional. Keep out of reach of children.

GarlicRich™ odorless softgels support the immune and cardiovascular system.* The enteric coated softgels formulated for maximum bioavailability, delays the breakdown of Alliin into Allicin and subsequent beneficial compounds until the softgel reaches the small intestine.

All Natural Factors products are manufactured in accordance with the Government of Canada's Good Manufacturing Practices (GMP), among the highest standards in the world.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, gluten, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
