\* Daily Value not established.

**Other Ingredients:** Vegetarian Capsule Shell (Hydroxypropyl Methylcellulose), Silica, Magnesium Stearate, Titanium Dioxide.

The female intestine and vagina each contain a friendly symbiotic microbiome garden susceptible to imbalances caused by the proliferation of harmful bacteria during times of digestive and reproductive system stress. Travel, food poisoning, antibiotic use – even poor diet – can lead to common symptoms such as gas, bloating, diarrhea, constipation, irregular bowel movements, as well as vaginal irritation and discomfort.

### What is Ultra Probiotic Complex 30 Women's?

Clinically designed to replenish beneficial flora and support both digestive and vaginal health, each capsule contains 30 billion guaranteed live active CFUs, including a special Women's Health Blend that features *L. gasseri*, shown in emerging research to help restore and support vaginal flora balance.\* Ultra Probiotic Complex 30 Women's formula also incorporates 200 mg of premium cranberry fruit extract for added urinary tract support.\*

### Why take Ultra Probiotic Complex 30 Women's?

Starting with just one dose, Ultra Probiotic Complex 30 Women's begins to improve the balance of beneficial flora in the digestive tract and vagina to help quickly reduce intestinal and vaginal discomfort.\* With continued daily use, you should experience reduced bloating as well as on-going improvements in digestive regularity and vaginal health.\*

This best-in-class, premium formula requires no refrigeration.
