What are Probiotics?

Probiotics work to keep a healthy balance of intestinal flora. They reduce the amount of harmful bacteria by replenishing and maintaining the "friendly" bacteria.*

What is GNC Ultra Probiotic Complex 25 plus Energy?

This product has been designed for those who follow active lifestyles. Each capsule combines 25 billion active cultures with guarana and key B-vitamins involved in energy production and carbohydrate metabolism.*

Why take GNC Ultra Probiotic Complex 25 plus Energy?

With the first dose, the clinically studied probiotics in this formula improve the balance of beneficial flora in the digestive tract. This helps to reduce bloating and stomach discomfort, aids in improving regularity, and supports a healthy immune system.* When left unbalanced, these factors can potentially hinder exercise performance.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

PROBIOTICS
