Fiber	2 g 8%†
Sugars	1 g *

Bacillus coagulans 5 billion CFU *

† Percent Daily Values based on a 2,000 calorie diet.

* Daily Value not established.

Probiotics work to keep a healthy balance of intestinal flora by reducing the amount of harmful bacteria in the digestive tract and replenishing and maintaining beneficial, "friendly" bacteria.* Depletion of beneficial bacteria can occur as a result of poor diet, taking certain antibiotics, stress, food poisoning, travelers' diarrhea, or poor overall digestive health. Replenishing beneficial bacteria with probiotics helps to promote healthy digestion and support natural resistance.*

Each Ultra Probiotic Complex Soft Chew provides 5 billion live and active cultures of *Bacillus coagulans* to provide daily replenishment of healthy bacteria in your digestive tract, along with dietary fiber which aids in eliminating unwanted toxins from the body.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Ingredients: Proprietary Fiber Blend (Polydextrose, Inulin, Oat Fiber, Soy Fiber, Vegetable Fiber), Sugar, *Bacillus coagulans*, Non-Fat Dried Milk, Palm Oil, Natural Flavors, Soy Lecithin, Glycerin, Caramel Color, Sucralose.
