DIETARY SUPPLEMENT

NOTE: Do not exceed recommended daily intake. Use only as directed.

SUGGESTED USE:

As a dietary supplement, take for up to 8 weeks before discontinuing use for a minimum of 4 weeks. Take one serving (3 capsules) 60 to 90 minutes before training on an empty stomach to establish tolerance. After personal tolerance has been established, you can use the dosing chart on the right to optimize the product's effects:

CONDITION

Regardless of weight, if used with Cellucor's C4, N0, or M5 (do not take with any other nitrate products).
Body weight less than 160 lbs.
Body weight between 161-180 lbs.
Body weight between 181-200 lbs.
Body weight greater than 201 lbs.

DOSAGE

3 capsules
3 capsules
4 capsules
5 capsules
6 capsules

WARNING:

Do not take if you are currently taking nitrates for chest pain or if you are taking erectile dysfunction medication. Do not use if pregnant or nursing. This product is only intended to be consumed by healthy adults 18 years of age or older. Before using this product consult with your physician if you are using any prescription or over the counter medication or if you have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, kidney or thyroid disease, seizure disorder, psychiatric disease, diabetes, difficulty urinating due to prostate enlargement or if you are taking a MAOI (Monoamine Oxidase Inhibitor) or any other medication. Discontinue use and consult your health care professional if you experience any adverse reaction to this product. Do not use if safety seal is broken or missing.
