

Suggested Usage: 1 capsule 1–2 times per day or as directed by a health professional. Keep out of reach of children.

Green Tea Phytosome is the result of a unique, patented process that binds Green Tea and key actives to phosphatidylcholine (from soy lecithin) resulting in superior bioavailability.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, gluten, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness store in a cool, dry place.
