

D-POL™ USAGE: Take 1 serving with a mixed food meal prior to intense exercise, preferably with a multivitamin/multimineral, which may aid in Vitamin D absorption. For optimal results, use in conjunction with Muscle Marinade® to aid in nutrient delivery and uptake. Avoid taking immediately prior to bedtime as your body's natural growth hormone release is at its peak.

WARNING: D-pol™ is intended only for healthy adults above the age of 18. Do not use if you are currently pregnant or nursing, could be pregnant, or are attempting to become pregnant. All individuals should consult a licensed healthcare practitioner before using this product. Do not use this product if you have been diagnosed with or have a family history of (including, but not limited to): heart disease, thyroid disease, liver disease, cancer, Barrett's Esophagus, gastroesophageal reflux, diabetes, hypoglycemia, hypo/hypertension, asthma, any psychiatric condition including depression or seizure disorder, or if you are using any other dietary supplement, prescription drug, or over-the-counter drug intended to promote vasodilation, in particular those intended for erectile dysfunction. The combined use of vasodilatory supplements or drugs and D-pol™ could cause an unsafe drop in blood pressure. Discontinue use and contact a medical doctor immediately if you experience an irregular or rapid heart beat, chest pain, shortness of breath, dizziness, lightheadedness, fainting or presyncope, tremors, headache, nausea, or other similar symptoms.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
