DIETARY SUPPLEMENT

NOTE: Do not exceed recommended daily intake. Use only as directed.

SUGGESTED USE:

As a dietary supplement for adults, use for up to 8 weeks in a cycle then discontinue use for 4 weeks before beginning a new cycle. In the morning: Take 2 capsules with or without food. In the evening before bed: Take 2 capsules with or without food. **Athlete Disclosures:** Due to the unique restrictions of amateur and professional sports organizations (WADA, NCAA, NFL, MLB, NBA, UIL, etc.) It is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement.

WARNING:

Contains black cohosh which is not to be used while pregnant or nursing. This product is not intended for use by those with a serious medical condition. Consult a physician before use. Do not use if you have hormone sensitive cancer, diabetes, kidney disease, renal disorders, allergies to Asteraceae/Compositae family, or if you are using any other dietary supplement, prescription drug including but not limited to anticoagulants, anti-diabetes drugs, antihypertensive drugs, CNS depressants, oral contraceptive hormone therapy drugs. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other similar symptoms. Exceeding recommended dosage may cause serious adverse health effects, including but not limited to acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen.
