

FAST-ACTING LIQUID CAPSULES

FAST-ACTING LIQUID CAPSULE TECHNOLOGY

NIOX is a concentrated Nitric Oxide boosting muscle & pump formula. Through fast-acting liquid capsules NIOX helps to deliver results more rapidly.†

FASTER ABSORPTION: Tablets and powder filled capsules are known as slow-absorbers. Your body needs a longer time to break them down. Using our fast-absorbing liquid capsules instead reduces wait time. Pre-dissolved and already liquefied Nitric Oxide boosters enter your blood stream more rapidly and are ready for action.†

REAL RESULTS: NIOX quickly shuttles Nitric Oxide generating Arginine Ethyl Ester into your bloodstream. Fortified with Glycerine, Agmatine Sulfate and real Beta Alanine NIOX supports your drive for bigger, fuller and rounder muscles covered with extra veins. Combined with high-intensity training more blood, nutrients and oxygen are being pushed into your muscles.†
