

Suggested usage: 1 tablet per day with a meal or as directed by a health professional.

Advanced Cholesterol Formula is a synergistic formula combining three clinically proven natural ingredients that support healthy cholesterol already within normal range via different, but complementary mechanisms.* The intermediate release tablet allows for the ingredients to be absorbed steadily over a six to eight hour period, thus reducing the issue of flushing of the skin caused by niacin.* A factor in the maintenance of good health.* Helps to prevent niacin deficiency.*

Cautions: Most people should not experience flushing when using this product. However, a few individuals sensitive to nicotinic acid may experience some flushing of the skin that is generally mild and transient. Do not take on an empty stomach. Keep out of the reach of children.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial colors, preservatives, or sweeteners; no dairy, sugar, wheat, gluten, yeast, soy, egg, fish, shellfish, animal products, salt, tree nuts, or GMOs. Suitable for vegetarians/vegans. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
