**ANTARCTIC KRILL OIL
DIETARY SUPPLEMENT**

UNIQUE OMEGA® KRILL OIL contains oil from pure Antarctic krill, providing an optimal combination of omega-3 fatty acids, phospholipids and critical antioxidants to support heart and joint health.* Unlike fish oil, the omega-3 fatty acids in **UNIQUE OMEGA® KRILL OIL** are absorbed and carried to the body's cells in phospholipid form. Phospholipid form contributes to rapid absorption of the omega-3 fatty acids, increasing their efficacy and the overall benefit to health.*

SUGGESTED USE: As a dietary supplement, take one (1) softgel once or twice daily.

Supplement Facts

Serving Size: One (1) 500 mg Softgel

Servings Per Container: 60

	Amount Per Serving	%DV*
