

Lycopene is the most abundant carotenoid antioxidant found in the blood. **MRM's All Natural Lycopene** provides 15mg of all natural, **non-GMO Lycopene** in a one-a-day softgel, the equivalent of eating 4-5 whole tomatoes. **MRM's All Natural Lycopene** is a full spectrum of naturally occurring phytonutrients including phytoene, phytofluene, beta-carotene, tocopherols and phytosterols. Clinical data supports that **Lycopene** works synergistically with these phytonutrients to promote cardiovascular, eye and skin health in men and women and prostate health in men.**
