

This is a 3X concentration compared to our Regular Strength Extract. Neem is an extremely powerful herb and should be used with care. Neem is considered to be one of the most generally useful herbs in the world, with a history of use in the Ayurvedic tradition going back almost 5000 years. Modern scientific research is validating many of the traditional uses of this herb. Neem supports proper immune system function and as a part of a diet to maintain healthy blood sugar levels already within the normal range.**
