NOTE: Please do not use in combination with other dietary supplements, pharmaceuticals, foods that are considered to be stimulants. Always check the warning label before using NO EXTREME with other products. Do not exceed recommended daily intake. Use only as directed.

SUGGESTED USE:

As a dietary supplement for adults, use for up to 8 weeks in a cycle, then discontinue use for 2 weeks before retaking the product. Mix contents of one scoop with 8 fl. oz. of water. Do not take with food. **STORE IN A COOL DRY PLACE.** **WORK-OUT DAYS:** Take 1 serving (1 scoop) 30 minutes pre-workout. **Athlete Disclosure:** Due to the unique restrictions of amateur and professional sports organizations (WADA, NCAA, NFL, MLB, NBA, UFL, etc.) it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement.

WARNING:

Not intended for use by persons under age 18. Do not exceed recommended dose. Do not consume synephrine or caffeine from other sources, including but not limited to, coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Contains caffeine. Do not use for more than 8 weeks. Do not use if you have high blood pressure, heart problems or are contemplating becoming pregnant. Consult with your physician prior to use if you are pregnant or nursing, or if you are taking medication, including but not limited to MAOI inhibitors, antidepressants, aspirin, nonsteroidal anti-inflammatory drugs or products containing phenylephrine, ephedrine, pseudoephedrine, or other stimulants. Consult your physician prior to use if you have a medical condition, including but not limited to, heart, liver, kidney, or thyroid disease, psychiatric or epileptic disorders, difficulty urinating, diabetes, high blood pressure, cardiac arrhythmia, recurrent headaches, enlarged prostate or glaucoma. Discontinue 2 weeks prior to surgery or if you experience rapid heartbeat, dizziness, severe headache or shortness of breath.
