

Sun-E™ Liquid

ANTIOXIDANT PROTECTION*

Non-GMO, Soy-Free

- Natural Vitamin E
- From Sunflower Oil

Net 4 fl. oz. (118 mL)

A Dietary Supplement Vegetarian/Vegan

SUGGESTED USAGE: As a dietary supplement, take 1/4 teaspoon daily, preferably with a meal.

NOW® Sun-E™ Liquid is a soy-free, natural Vitamin E derived from Identity Preserved (IP), Non-GMO Sunflower Seed Oil. Vitamin E is a major antioxidant and the body's primary defense against lipid peroxidation. It is particularly important for protection against cellular free radical/oxidative damage. These protective benefits are achievable with supplemental intakes higher than what is normally consumed in the average diet.*

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
