ORAC, short for **Oxygen Radical Absorbance Capacity**, measures the total antioxidant power of foods and other substances. Foods and supplements with higher ORAC values (greater antioxidant power) may enhance vitality and vibrance for daily living.

Suggested Use: Add 1 scoop to 8-10 oz. of water and stir. Enjoy the delicious antioxidant benefits one or more times daily. This easy mixing powder blends well and tastes great!

Keep out of reach of children.

Consult a health care professional before using this or any product during pregnancy, breast feeding or if you have a serious medical condition.
