

Great tasting plant-based protein. Smooth fine texture that blends easily in Milk, Almond Milk, Rice Milk or Smoothies.

Highly rated digestible and efficient protein as compared to whey and soy protein sources.

Organic plant enzymes combined in the formula making the protein more bioavailable to the system.

May be used by all ages.

Low Carbohydrate Glycemic Load and Glycemic Index.

Plant material such as rice sprouts are more favored by the body than grain material. Brown Rice is lower in carbohydrate value than other rice.

Recommended Use: Add one scoop of protein powder to your favored drink. Milk, water, juice, etc.

Mixes instantly. (Stevia Sweetened) No artificial sweeteners or added ingredients.
