*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking any medications (especially those that may affect kidney function or blood potassium levels), or have a medical condition (especially heart/kidney condition or diabetes). Keep out of reach of children.

Potassium Iodide (KI) is a compound that contains Iodine, a nutrient necessary for normal thyroid function. Iodine, in the form of Iodide, is an integral part of the thyroid secretions that regulate cellular metabolism and energy production. NOW® Potassium plus Iodide also has Potassium, a mineral that is essential for the maintenance of healthy water and electrolyte balance, as well as whole body pH.*

SUGGESTED USAGE: As a dietary supplement, take 1 tablet daily with a meal.

Potassium plus Iodine

THYROID SUPPORT

- Supports Electrolyte Mineral Balance
- Nutrition for Healthy Thyroid Function*
