

MAXIMUM GH AND IGF-1 SUPPORT† • PROVIDES MAXIMUM GH AND IGF-1 SUPPORT† • PROVIDES MAXIMUM GH AND IGF-1 SUPPORT† • PROVIDES MAXIMUM GH AND IGF-1 SUPPORT†

GHTX is a scientifically-based formula providing the body with precursors to support healthy physiological levels of Growth Hormone (GH) and Insulin-Like Growth Factor-1 (IGF-1) along with neuromuscular optimization and cognitive enhancement. Driven by GH and IGF-1 enhancement ingredients, GHTX was formulated to deliver the following results:

- Increase Lean Body Mass and Muscle Power Output†
- Promote GH and IGF-1 Anabolic Intervention†
- Enhance Rapid Recovery†

GHTX is the most advanced and clinically validated formula available from MMSN engineered to provide maximum GH and IGF-1 support for healthy individuals.

GHTX

STORE IN A COOL, DRY PLACE IN THE ORIGINAL CONTAINER AWAY FROM MOISTURE AND SUNLIGHT. ALWAYS KEEP TIGHTLY SEALED. KEEP OUT OF REACH OF CHILDREN.

WARNING: Consult a physician before starting any diet and exercise program and before using this product. This product is only intended to be taken by healthy adults 21 years of age and older. NOT intended for women. Do not take this product if you have prostate hypertrophy, liver disease, kidney or heart disease. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience unexpected side effects. If taking prescription medications, consult a licensed healthcare practitioner prior to use.

This product contains GABA. Some individuals may experience a minor tingling of the skin and/or a slight shortness of breath shortly after taking GABA. This is a characteristic of this amino acid and quickly subsides. This product contains *Mucuna pruriens* (Velvet Bean) (L-Dopa). Do not use this product if you are taking an MAO inhibitor. Will potentiate levodopa medications. Consult your physician before use if you have hypertension, cardiac or pulmonary disease or if you are taking products containing L-Dopa.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
