SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 2 times daily.

NOW® Immune Renew™ delivers the natural nutrient profile found in Genuine Whole Foods.

NOW® Immune Renew™ is a potent immune system supporting formulation with Standardized Astragalus Extract and a Beta-Glucan Mushroom Blend. Astragalus has been shown in non-clinical studies to support a number of aspects of healthy immune function, including the enhancement of T-Cell and Natural Killer Cell activity. Natural killer cells are so named because they destroy unhealthy cells in the body virtually on contact. NOW's unique blend of eight mushrooms provides additional immune support due to its 1,3-Beta-Glucan content. 1,3-Beta-Glucans are especially valuable to immune system response, though they're increasingly lacking in today's typical diet. Scientific studies have demonstrated that the 1,3 form of Beta-Glucans found in mushrooms possess remarkable abilities to support both innate and adaptive immunity. A strong, responsive immune system is the foundation of good health. Use NOW® Immune Renew™ to help support healthy immune function throughout the year.*

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
