

ZTX is an innovative and science-based formula strategically designed to promote the powerful natural testosterone mechanisms within the body, releasing testosterone from binding transport proteins, optimizing steroid receptor binding capacity, and blocking unwanted estrogen production.*

Testosterone Modulator Complex containing Testafuranol™, Testofen™, and Maslinic Acid. The synergistic combination of Testafuranol™, Testofen™, and Maslinic Acid provides the basic power to drive testosterone to healthy levels. Provides key ingredients that have been shown in human clinical trials to increase free (unbound and bioavailable) testosterone by 98%.*

Androgen Receptor Response Complex provides L-Carnitine-L-Tartrate (LCLT) and Alpha Lipic Acid. Both ingredients are designed to enhance skeletal muscle cell testosterone binding for amplification of cell amplification responses.*

SHBG (Sex Hormone Binding Globulin) and Anti-Aromatase Complex containing Chrysin, 3,4-Divanyltetrahydrofuran, White Button Mushroom, and Green Tea Leaf Extract. The combination of these ingredients are aimed at decreasing the conversion of testosterone to estrogen (anti-aromatase) and the effects of estrogen at the receptor sites.*

ZTX is truly the smartest and most powerful and effective formula to naturally support testosterone health and to address the age-related decline in testosterone levels and support anabolic effects.*

KEEP OUT OF THE REACH OF CHILDREN. STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE, SUNLIGHT AND EXCESS HEAT. ALWAYS KEEP TIGHTLY SEALED.

WARNING: This product is only intended for use by healthy adult males, 18 years of age or older. Do not take this product if you are female. Discontinue use and call a physician or licensed healthcare practitioner immediately if you experience unexpected side effects. If taking prescription medications, consult a physician or licensed healthcare practitioner prior to use.

NATURAL TESTOSTERONE AMPLIFIER†

- Optimizes Circulating Free Testosterone Levels*
- Promotes Free Testosterone Levels Up to 98%*

Dietary Supplement • **90 CAPSULES**

Directions: As a dietary supplement, take 3 capsules in the morning and 3 capsules six to 8 hours later, each time with 8 oz of water on an empty stomach.

Supplement Facts

Serving Size: 3 Capsules

Servings Per Container: 30

Amount Per Serving	%DV*
--------------------	------

Vitamin C (ascorbic acid)	80 mg	133%
---------------------------	-------	------

Testosterone Modulator Complex	750 mg	**
---------------------------------------	--------	----

Testafuranol™ (Tribulus alatus, standardized to contain 50% beta-sitosterol and 50% stigmasterol), Testofen™ (fenugreek extract standardized to contain 50% fenuside), Maslinic acid (Crataegus pinnatifida, extract), (standardized to contain 10% maslinic acid)

Androgen Receptor Response Complex	350 mg	**
---	--------	----

L-Carnitine-L-Tartrate (LCLT), Alpha Lipic Acid

SHBG and Anti-Aromatase Complex	350 mg	**
--	--------	----

Chrysin, 3,4-Divanyltetrahydrofuran, White Button Mushroom (Agaricus bisporus), Green Tea (Camellia sinensis) Leaf Extract (standardized to 45% EGCG)

*Percent Daily Values are based on a 2000 calorie diet.

**Daily value not established.

Other Ingredients: Maltodextrin, Magnesium Stearate, Gelatin (Titanium Dioxide, FD&C Red #40, FD&C Blue #1).

Testafuranol™ is a trademark of Integrity Nutraceuticals International.

Testofen™ is a trademark of Gencor Pacific Inc., USA. Manufactured in a facility that processes milk, egg, fish, crustacean shellfish, tree nuts, wheat and soybeans.
