Other Ingredients: Croscarmellose Sodium, Microcrystalline Cellulose, Talc, Magnesium Stearate.

Indications: To provide Vitamin and Mineral supplementation throughout pregnancy and during the postnatal period for both the lactating and non-lactating mother. It is also useful for improving nutritional status prior to conception.

Dosage: As a dietary adjunct before, during and after pregnancy, take one tablet daily with a meal, or as directed by a physician.

WARNING: Accidental overdose of iron-containing products is a leading cause of fetal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Precautions: Folic Acid may mask the symptoms of hematological damage due to Vitamin B12 deficiency of pernicious anemia while the associated neurological damage progresses.

STORE AT CONTROLLED ROOM TEMPERATURE 15°-30°C (59°-86°F).
AVOID EXCESS HEAT. Dispense in a well closed light-resistant container, with a child resistant cap.

This medical food product is formulated to be administered orally, under the supervision of a physician.

KEEP THIS AND ALL MEDICATIONS OUT OF THE REACH OF CHILDREN.
