

Smart Blend™ is a cutting edge, proprietary blend of **"SMART FATS"**. We depend on dietary fats/lipids to make individual cell membranes and receptors (cell to cell communication) as well as hormone and immune messengers which regulate everything from cardiac and insulin function to inflammatory responses. Regular supplementation with **Smart Blend™** ensures a more balanced lipid "pool" required for optimal whole body balance and function.

The effects of our "Standard American Diet" (SAD) has created an imbalance in this "pool" that has translated into dysfunctional system performance (ie. poor insulin function = poor glucose/energy utilization and greater fat storage). As we age, our production of critical lipid manufacturing enzymes decreases thereby rendering our body deficient in the fatty acids required for proper/optimal living. This precision mixture of omega-3 lipids (EPA & DHA) provides the necessary amounts to balance our bodies for optimal form and function.

Conjugated Linoleic Acid (CLA) is a naturally occurring nutrient found in beef and dairy products, but it's difficult to get an effective amount of active CLA isomers through diet alone. CLA's health benefits have been well documented. CLA is an essential part of a healthy lifestyle with regular exercise and a balanced diet. Furthermore, CLA has the ability to enhance immune health and support healthy range cholesterol levels.**

Gamma Linolenic Acid (GLA) is a necessary step in the production of "good" prostaglandins. Good prostaglandins support cardiovascular, joint and immune health, elicit powder antioxidant activity as well as promote healthy blood glucose metabolism.**

Smart Blend™ provides optimal support for reducing body fat, increasing muscle tissue recovery, balancing hormone production (such as testosterone and insulin) and promote optimal immune and cardiovascular health.

Best if used by:

METABOLIC RESPONSE MODIFIERS

Smart Blend™

ADVANCED CLA, GLA & OMEGA FATTY ACID COMPLEX

SUPPORTS WEIGHT MANAGEMENT**
PROMOTES CARDIOVASCULAR HEALTH**
SUPPORTS OPTIMAL IMMUNE HEALTH**

Dietary Supplement
120 Softgels

**This statement has not been evaluated by the Food and Drug Administration (FDA).
This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested Usage: Take 2 softgels with a meal up to 3 times daily. For maximum benefits, take 4 softgels up to 3 times daily or as directed by your qualified healthcare provider.

Supplement Facts

Serving Size 2 Softgels
Servings Per Container 60

	Amount Per Serving	% Daily Value*
Calories	13.5	
Calories from Fat	13.5	
Total Fat	1.5g	2%
Saturated Fat	0mg	0%
Monounsaturated Fat	150mg	†
Polyunsaturated Fat	1,300g	†
EPA - eicosapentaenoic acid (from High Performance Fish Oil Complex)	260mg	†
DHA - docosahexaenoic acid (from High Performance Fish Oil Complex)	220mg	†
Conjugated Linoleic Acid (CLA)	250mg	†
Gamma Linolenic Acid (from Borage Oil)	80mg	†

*Percent Daily Value is based on a 2000 calorie diet.

†Daily Value not established.

Other Ingredients: No other oils or excipients added.
Softgel is made of gelatin.

Contains **NO** solvent residues, dairy, egg, peanut, tree nut, shellfish, soy, wheat, gluten, yeast, artificial flavors or colors.
