

FBX is the culmination of quality and purity ingredients, research and testing and now with the added benefits of Beta-Alanine and Glutamine. The Research & Development Team at MM Sports Nutrition focused on blasting your muscles with greater blood flow while increasing cellular fluid & glycogen levels. The end result is what we believe to be the finest and most effective Nitric Oxide Boosting, Creatine Supplying, Energy & Intensity enhancing pre-workout supplement drink mix ever developed.†

You're literally going to see and feel the difference when you try **FBX** for the first time. The three proprietary blends are filled with only the highest quality and purity ingredients to ensure maximum potency and effect. We even added stacked carbohydrates for fast and sustained energy along with electrolytes to improve muscle contraction and minimize cramping issues. There has never been a formula like this on the market and Max Muscle is the only one who has it. You can't get it anywhere else and no one can copy this special proprietary formula!

FBX should be used in combination with regular exercise and a proper nutrition plan for maximum results. Feel the pump, the energy, and the intensity!†

NOTE: READ ENTIRE LABEL PRIOR TO USE

Please read all warnings and directions before taking this product.

NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING.

Consult a physician before using this product if you have, or have a family history of, including but not limited to high blood pressure, cardiac arrhythmias, heart, liver, kidney, thyroid, or psychiatric disease, pheochromocytoma, diabetes, asthma, recurrent headaches, anemia, nervousness, anxiety, depression or other psychiatric condition, peptic ulcers, Parkinson's disease, glaucoma, difficulty in urinating, prostate enlargement, or seizure disorder, or if you are using a monoamine oxidase inhibitor (MAOI) or any other dietary supplement, prescription drug, or over-the-counter drug containing ephedrine, pseudoephedrine, or phenylpropanolamine (ingredients found in certain allergy, asthma, cough or cold, and weight control products). Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Individuals who consume caffeine with this product may experience serious adverse health effects and those that are sensitive to the effects of caffeine should consult a Physician before consuming this product. Improper use of this product may be hazardous to a person's health. Do not use during strenuous activity in high temperature and humidity conditions (greater than 80° F). Stay well hydrated throughout the day by drinking at least 2 liters of water daily when using this product.

Kre-Alkalyn® is a registered trademark (Patent # 6,399,661) registered to Biocetual Research & Development Laboratory

This product contains 176mg of Caffeine per 25 gram serving (one scoop).
