

30 Grams of Super Protein Concentrate Per Serving!

MAXPRO™ provides a proprietary Super Protein Concentrate™ (SPC™) developed to supply your body with pure high-quality proteins to be used on a daily basis. The SPC™ is MMSN's proprietary blend of whey protein concentrate (WPC), whey protein isolate (WPI) and potassium caseinate. This unique blend includes long and short chain peptides comprised of all essential and non-essential amino acids. Both WPC and WPI are fast-acting proteins while the casein fraction is more sustained giving you the best of both proteins for nutrient timing.

Research shows that a continuous intake of protein throughout the day is most effective in maintaining positive nitrogen balance and a positive anabolic state. **MAXPRO™** can easily be incorporated into your daily routine; before exercise, during exercise, after exercise, in-between meals and at bedtime. This continuous flow of calories and protein helps to saturate your muscles with fuel and amino acids for optimal protein synthesis.

WARNING: Consult a physician before starting any diet and exercise program and before using this product. Do not use this product for weight reduction. Very low calorie protein diets (below 400 calories per day) may cause serious illness or death. Drink at least 2 liters of water daily when using this product.

DIRECTIONS: In a shaker cup or blender, we recommend 8 ounces of water or your favorite drink for the first scoop, and an additional 4 ounces for every additional scoop. Using less fluid will create a thicker tasting shake. By experimenting with different amounts of liquid, you will be able to determine exactly what your preference is.

INGREDIENTS: SPC Concentrate™ (Max Muscle's proprietary blend of whey protein concentrate, whey protein isolate and potassium caseinate), L-glycine, nonfat milk solids, natural dark chocolate, chocolate flavor, cellulose gum, acesulfame potassium, sucralose sweetener.

Contains: Milk and soy (lecithin).
Manufactured in a facility that processes milk, egg, shellfish, tree nuts, wheat and soy.

KEEP OUT OF REACH OF CHILDREN.

STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE AND SUNLIGHT. ALWAYS KEEP TIGHTLY SEALED.
