

VIT-ACELL™ ENERGY is a super-concentrated and high potency liquid nutrition supplement in addition to providing natural energy that you can feel for hours. **VIT-ACELL™ ENERGY** is all about energy, delivering all the essential B-Complex vitamins necessary to produce energy in the body along with whole food nutrition, energizing herbs, natural sugars and natural caffeine.

VIT-ACELL™ ENERGY gives you 100% or more of the Daily Value of 13 essential vitamins, including Vitamins A and D, along with high potency Vitamin B12 known for its role in the processing of carbohydrates into energy. Essential minerals like calcium, magnesium and potassium, energizing herbal extracts, whole food juices, antioxidants, phytonutrients and caffeine will nourish your body and invigorate your mind.

VIT-ACELL™ ENERGY contains whole food nutrition from a wide variety of beneficial whole fruit concentrates found in our Proprietary Juice Blend. These fruit concentrates contain natural sugars for energy and a wide variety of powerful antioxidants for protection from free radicals which may be formed during exercise and overall protective health benefits. There are 2 grams of the amino acid glycine per serving to help synthesize muscle tissue and assists in the conversion of glucose sugar into energy. Glycine also supports the production of human growth hormone. Glucosamine Sulfate at 500 mg per serving has been added to support the youthful elasticity and healthy structure and function of your joints. Glucosamine Sulfate is an essential structural component of your skin, arteries, veins and heart valves.*

VIT-ACELL™ ENERGY contains herbal extracts like Green Tea Extract with one of most powerful polyphenolic antioxidants epigallocatechin gallate or EGCG. Aside from its broad antioxidant functions, very exciting new research has shown benefits of EGCG in cognitive and brain health. Grape Seed Extract provides additional antioxidant power to help fend off oxidative stress and other environmental insults and protect cells against free radical damage. Ginkgo Biloba stimulates healthy blood flow to the brain and promotes transmission of nerve impulses. Korean Ginseng assists the body in the adaptation of physical and emotional stress. Choline is an essential nutrient and plays a vital role in structure of cell membranes, nerve impulse transmissions and brain health. Inositol is also essential for brain and nervous system function in addition to liver and muscle health. **VIT-ACELL™ ENERGY** contains 100 mg per serving of natural caffeine which is comparable to a cup of the leading premium coffee.

Make **VIT-ACELL™ ENERGY** your daily essential vitamin, mineral and natural energy supplement as your foundation for vibrant health. Your mind and body will feel the difference!

STORAGE: Keep tightly closed and refrigerate after opening.
KEEP OUT OF REACH OF CHILDREN.

CAUTION: Contains 100 mg caffeine per serving. Please consult a physician before starting any new diet, exercise, and dietary supplement program especially if you have pre-existing medical conditions or are taking prescription medications. Discontinue use and call a physician or licensed health care professional immediately if you experience unexpected side effects. If pregnant or nursing, consult a physician before using this product.
