combat POWDER™

advanced time release protein

A precision engineered matrix, **COMBAT POWDER** the ultimate timed-release protein super food! Each of the distinct protein sources found within **COMBAT POWDER** digest at varying rates — because of this unique feature, amino acids not only flood into the bloodstream within minutes after consumption, but will also continuously be “trickle fed” to your muscle for up to 8 hours afterward!

SUGGESTED USE: As a dietary supplement, mix 1 to 2 scoops of **COMBAT POWDER™** with 8-12 fl oz of cold water. Vary the amount of water to achieve your desired consistency and taste. Consume 2-3 times a day for optimal muscle growth.

FOR MEN: As a dietary supplement, mix 2 scoops (providing 48 grams of protein) with 8-12 fl oz of cold water or any beverage you prefer. Consume 2-3 times a day for optimal muscle growth. To increase your protein intake per serving and achieve a delicious milkshake taste, use skim or low fat milk instead of water.

FOR WOMEN: As a dietary supplement, mix 1 scoop (providing 24 grams of protein) with 4-6 fl oz of cold water or any beverage you prefer. Vary the amount of water to achieve your desired consistency and taste. Consume 2-3 times a day for optimal body shaping requirements. To increase your protein intake per serving and achieve a delicious milkshake taste, use skim or low fat milk instead of water.

Packed by weight, not by volume. Sealing of product occurs after filling. Do not use if tamper evident security feature is broken or missing. Exposure to heat, light or air can affect flavor or aroma; therefore keep out of direct light or heat and store in a cool dark place. Keep sealed when not in use.

WARNING: This product is intended as a dietary supplement only. Do not use as a sole source of nutrition. Keep out of reach of children.
