

**Cleanse & Lean Advanced** is a powerful body composition slenderizing formula designed for quick and effective weight loss. **Cleanse & Lean Advanced** specifically addresses the areas of healthy elimination, appetite suppression, thermogenesis along with water loss using high quality ingredients supported by published scientific studies. **Cleanse & Lean Advanced** is fast-acting, delivering key bioactive ingredients to support your weight-loss program in convenient and easy-to-swallow capsules.

The **Appetite Management and Thermogenic Complex** contains key ingredients to suppress appetite and maximize thermogenesis and fat burning, contains the combined benefits of both Caffeine and Green Tea Extract supported by numerous published research studies and also contains the special ingredient African Mango (*Irvingia gabonensis*).

The **Intestinal Cleanse Complex** contains a proprietary blend of high quality ingredients producing a natural laxative effect to help you lean out and lose weight fast while cleansing your system of impurities for better health.

The **Water Loss Support Complex** contains two potent and highly effective herbs to naturally release excess fluid and flush it from your system helping you drop weight, maximize muscle definition and get that chiseled vascular appearance of the skin.
