

Anabol Cuts 2 by MMSN is a science based, dual-action formula designed to promote body recomposition acceleration through supporting healthy testosterone levels and hyper-accelerated fat metabolism. Body recomposition means increasing lean body mass (LBM) while reducing fat mass (FM) representing a "Build and Burn" effect. To accomplish this, **Anabol Cuts 2** combines the benefits of two powerful complexes, the **Anabolic Response Complex** and the **Xtreme Thermolytic Acceleration Complex**, to facilitate your body's transformation goals.[†]

The **Anabolic Response Complex** provides Testofen™, Bulgarian Tribulus terrestris, and Sarsaparilla root extract to maximize healthy testosterone levels and anabolic responses. The **Xtreme Thermolytic Acceleration Complex** provides synephrine, caffeine, green tea leaf extract, and alpha lipoic acid to promote rapid fat mobilization and utilization.[†]

Anabol Cuts 2 provides the optimizing ingredients for your body recomposition transformation.

Warning Statement: Please consult a physician before starting any new diet and exercise program and before using this product. Do not take this product if you are female. Do not take this product if you have prostate hypertrophy, liver disease, kidney or heart disease. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience unexpected side effects. If taking prescription medications, consult a licensed healthcare practitioner prior to use.

KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE AND SUNLIGHT. ALWAYS KEEP TIGHTLY SEALED.
