

MMSN takes it to the next level by bringing you **ANABOL EXT**. **ANABOL EXT** is a totally unique and scientifically-based product designed to support natural testosterone while blocking unwanted estrogen and increasing endurance and sexual performance. **ANABOL EXT** contains both Zinc aspartate and Magnesium aspartate, both essential minerals in the production of testosterone. In addition, **ANABOL EXT** delivers three potent proprietary blends for male enhancement.

The **ANABOL EXT** Extreme Male Performance Proprietary Blend (MPPB) contains Testofen™, a powerful and clinically proven ingredient shown to increase muscle mass, increase levels of free testosterone by 98%, increase libido, reduce abdominal fat and increase energy levels. The MPPB also contains maximum strength Horny Goat Weed, Rhodiola rosea, Meca Extract, Pygeum africanum and Saw palmetto berry extract.

The **ANABOL EXT** Extreme Anabolic Proprietary Blend (APB) contains the premier ingredient ActiveAI™ (U.S. Patent No. 7,132,117) clinically researched for maximum testosterone support. The APB contains Tribulus terrestris, Rhaponticum carthamoides delivers 20-Hydroxy Beta-ecdysterone, Muira Puama, 5-Methyl-7-Methoxy Isoflavone. Together the APB is unparalleled in its composition, potency and completeness.

The **ANABOL EXT** Anti-Estrogen Proprietary Blend (AEB) contains three ingredients all aimed at decreasing the conversion of testosterone to estrogen. The AEB also contains red clover extract, DIM (diindolymethane) and Chrysin.

KEEP OUT OF THE REACH OF CHILDREN. STORE IN A COOL, DRY PLACE AWAY FROM MOISTURE, SUNLIGHT AND EXCESS HEAT. ALWAYS KEEP TIGHTLY SEALED.

WARNING: Do not take this product if you are female. Do not take this product if you have prostate hypertrophy, liver disease, kidney or heart disease. Consult a Physician before starting any diet and exercise program and before using this product.
