

pH imbalance usually begins in the digestive system. Cleansing and detoxification of the colon are the first steps in restoring pH balance within the body. pH-ion Ionic Colon Cleanse has been formulated to eliminate toxins, acids and waste buildup in the colon.*

pH-ion Ionic Colon Cleanse is a leading colon cleansing compound for the body.*

- Natural elements to detoxify and cleanse the colon physically, rather than chemically*
- A unique form of ionic bentonite (montmorillonite) which magnetically attracts positively charged acidic particles in the colon*
- Contains an herbal blend to safely and gently detoxify the colon*
- Helps to restore the optimal pH of the intestines*
