

MITOR™ is a professional formula from MMSN designed to support the healthy and optimal energy producing functions of the mitochondria to power the body.†

MITOR™ contains the finest Coenzyme Q10 (CoQ10) available in the world, Kaneka Q10®, and also includes the synergistic ingredients Adenosine, D-Ribose, Alpha Lipoic Acid, Pyrroloquinoline Quinone (PQQ), Quercetin, Malic Acid and a balanced blend of essential B-Complex Vitamins and Minerals.

By using **MITOR™** daily you can be assured that you are using the most advanced and highest quality energy producing formula

available in the marketplace. You will notice the difference within a few days of use. Best of all it supports the natural energy production systems within the body and is non-stimulant based.†

WARNING: Consult your physician prior to using this product if you are pregnant, nursing or taking medications or have a medical condition. Discontinue use and call a physician immediately if you experience unexpected side effects.
