

Good digestion is critical for optimal health and foundational for proper pH balance. The probiotic strains found in pHion Probiotic Blend survive through stomach acid and arrive in your intestines ready to nourish intestinal flora. Coupled with a balanced alkaline diet and sound exercise program, pHion Probiotic Blend supplementation can aid in achieving improved health and wellness.*

pHion Probiotic Blend is a leading probiotic complex for the body:*

- Patented Gastric Acid Bypass® technology ensures survival through damaging stomach acids*
- Formulated with 7 strains of intestinal flora*
- 5 billion (at time of manufacture) live bacteria per serving*
- Extended shelf-life and stability*
- Promotes digestive system pH balance*
