Step 2

pH Booster

For An Alkaline Body*

2 FL. OZ / 60 ML

Suggested Use*

After infusing your liquids with Step 1, add 6 drops of Step2 for every 8 ounces of waters, teas or juices that you are infusing. When used as directed, pHion Booster step 1 and step 2 will ionize and alkalize liquids, including bringing the pH of waters to 9.5. pHion suggests drinking 8, 8oz. glasses of fluids every day and combining with a balanced diet and exercise program to achieve health and wellness in your life.*
