

USAGE: Take 1 tablet 1 or 2 times per day preferably with meals or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Magnesium Optimizer® is a synergistic combination of nutrients that optimize magnesium metabolism.* Magnesium is beneficial for nerve and muscular tissue metabolism.* Magnesium and potassium can be utilized by physically active individuals to support electrolyte levels in the body.* Taurine, a free-form amino acid antioxidant, is a cell membrane stabilizer.* Taurine enhances the effects of magnesium and potassium because taurine aids osmoregulation (maintenance of proper concentration of ions).*

Keep out of the reach of children.
