

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially bleeding disorders), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially blood-thinning or blood-clotting medications), consult your healthcare professional before using this product.

Jarrow Formulas® NattoMax® is a highly purified Nattokinase with vitamin K removed. Nattokinase is naturally occurring in traditional Japanese food (natto) fermented by *Bacillus subtilus natto*.

NattoMax® is concentrated without solvents. Each capsule offers 2000 Fibrinolytic Units. Nattokinase is a fibrinolytic enzyme that supports healthy circulation by its effects on serine protease-mediated digestion of fibrin.*

Keep out of the reach of children.
