

**USAGE:** Take 1 tablet 1 or 2 times per day with meals or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition (especially diabetes or being treated for glucose control), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially for glucose control), consult your healthcare professional before using this product.

**Alpha Lipoic Sustain®** is in a special Sustain™ bilayer Quick Release/Sustained Release format to maximize and sustain blood levels and to minimize gastric irritation and blood sugar fluctuations.\* Alpha Lipoic Acid is a unique lipid and water soluble antioxidant that is a cofactor in energy production, helping to regulate glucose metabolism.\* ALA also promotes the synthesis of glutathione, a critical component of the body's endogenous antioxidant network.\* Biotin is added for optimum ALA activity.

The advanced bilayer Sustain™ tablets combine 1/3 Quick Release and 2/3 Sustained Release formats to both immediately raise and to maintain blood levels over a longer period of time.

**Keep out of the reach of children.**
