

USAGE: Take 1 tablet 1 to 2 times per day or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition (especially hypotension or herpes), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially for blood pressure), consult your healthcare professional before using this product.

L-Arginine is an amino acid that plays an important role in several important pathways, including the synthesis of proteins, the production of creatine phosphate (needed to produce ATP) and the synthesis of nitric oxide, a secondary messenger involved in blood flow.*

Keep out of the reach of children.
