WHO WE ARE Universal Nutrition has been providing cutting edge and staple nutritional supplements to bodybuilders and hard training athletes the world over since 1977. As time passes, certain ideals never go out of style. Honesty. Integrity. Respect. These are the values we uphold and are the bedrock upon which we built our business. **WHAT IT IS** Universal Nutrition's GH Max™ is the ultimate GH-support formula for the serious bodybuilder or powerlifter who is interested in extreme gains in size and strength. Growth Hormone (GH) has the ability to increase lean mass by stimulating protein synthesis and increasing nitrogen retention in muscles. Designed with powerful GH support nutrients including arginine and ornithine plus extra anabolic nutrients, maximum strength GH Max™ helps in your quest for size. Target your body's peak periods of GH release with GH Max™. **HOW WE BACK IT UP** What is on the label is in the bottle and what is in the bottle will help you reach your goals. We believe it and proudly stand behind every product we manufacture. Our word is our bond.
