WHO WE ARE In 1983, Animal was founded with the birth of Animal Pak, the venerable training “pack” that started it all. Born from the real needs and desires of professional bodybuilders, Animal has grown prodigiously over the decades. Today, as yesterday, the name Animal stands for trust, integrity and a unique no nonsense approach to the game. Animal also represents a group of products that have stood the test of time, proven again and again in the labs, and in the trenches where it counts most... The gym and the stage. Dedicated to serious nutrition for the serious athlete, Animal is your choice when it comes to complete and comprehensive supplementation. Animal. The choice of champions. **WHAT ANIMAL CUTS® IS** Ripped & peeled. That's what Animal Cuts is all about. You don't want an ordinary physique, so your average diet supplement won't cut it. You want something stronger, something made for the most dedicated bodybuilders in the game. For you, we created Animal Cuts. Animal Cuts is a metabolic powerhouse crammed into a single pack. Each precisely formulated dose can help you to tear away the unwanted adipose accumulated in the mass-gaining off-season, to help reveal the hard, grainy muscle underneath. Be a freak and see the freaky physique that you've worked so hard to build with the extreme, all-in-one cutting stack, the one that goes above and beyond in the quest to get shredded.*
