

Proper pH balance begins with nature's perfect source, "greens." pHion Green Superfood is a highly alkalizing formulation of 30 concentrated grasses, veggies and sprouts designed to aid in the neutralization and elimination of damaging acids. Coupled with a balanced alkaline diet and sound exercise program, pHion Green Superfood supplementation aids in achieving improved health and wellness.*

pHion Green Superfood is a leading all-in-one alkalizing formula for the body:

- Super alkalizing proprietary formula*
- Dehydrated juice powders from over 30 grasses, veggies & sprouts*
- Super concentrated; just one teaspoon is equal to a 1 oz. shot of freshly juiced grasses and 1 lb. of veggies & sprouts*
- CereCalase®, a proprietary blend of enzymes that will increase bioavailability of all pHion Green Superfood ingredients*
