

Suggested Usage: 1 softgel 1–3 times per day before each meal or as directed by a health professional. Keep out of reach of children.

Omega-3 Factors® is a pharmaceutical grade fish oil concentrate providing one of the highest potencies of EPA and DHA available. Stringent quality control standards ensure this highly purified fish oil concentrate is free from toxic environmental contaminants and heavy metals like mercury.

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.* One serving (1 softgel) of Omega-3 Factors® provides 400 mg of EPA and 200 mg of DHA omega-3 fatty acids.

Manufactured by Natural Factors to ensure safety and potency in accordance with Good Manufacturing Practices (GMP) of the FDA and Health Canada.

Contains no artificial preservatives, color or sweeteners; no corn, dairy, gluten, starch, wheat or yeast. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
